ON-PREMISES POLICY

In an effort to keep our clients safe, all parents/caregivers must remain on the premises during therapy sessions. You may wait in your car or in the waiting area. You are also free to ask us to join and observe your child's sessions.

We also request up-to-date emergency contact information, including a phone number that allows texting, so we may reach you during the session quickly if needed. Please complete the form below with all contacts who might be present during therapy sessions.

Thank you for helping us keep your child safe while they learn and grow!
